

The background is a solid dark blue. In the upper corners, there are abstract geometric shapes consisting of overlapping triangles and squares in lighter shades of blue, some with thin white lines intersecting them. At the bottom, there is a dark blue silhouette of a city skyline with various skyscrapers of different heights and shapes.

A woman with long dark hair, wearing a black top with a colorful floral pattern on the sleeve, is standing in front of a large whiteboard. She is holding a black marker and writing the mathematical function  $f(x) = ?$  on the board. In the bottom right corner of the image, there is a small video inset showing a man with dark hair, wearing a light blue shirt, with his hands on his face in a thoughtful or listening pose. The background of the main image is a classroom or office setting with a whiteboard and some equipment.
